CCM will be presenting the 3<sup>rd</sup> Annual Mendocino One World Festival at Friendship Park on Saturday, October 3, 2015. A local happening with a global vision, this family-friendly event will celebrate the rich diversity of our world with music, food, and fun!

We are looking for your help in supporting MOWFest and providing this opportunity for our community by becoming a MOWFest event sponsor!

The festival will showcase world music and dance, and include children's multicultural crafts and games, food from around the world, arts and crafts imports, performances by Circus Mecca, and an alternative healing tent.

Community Center of Mendocino is a young, non-profit organization whose mission is to support a vibrant, inclusive community center that provides dynamic programs and facilities for children, teens, and adults. CCM does not currently receive any tax dollars or other public funding.

Please join us in helping to support this inspiring event for our community.
